

# BWNC UPDATES

2021 SEASON UPDATE

## BRISBANE WATER NETBALL CLUB

Over the last few weeks we have been busy finalising registrations and teams. We have had a lot of success with our NetSetGo and Senior teams, but we are still looking for 10-14 year olds to fill a few teams. So if you know anyone at all, please give them our details. Tell them to have a look at the website and register.

Your help is appreciated!

Over the last few days we have also been busy updating our website with as much information as possible. We now have two new pages with information and resources for Coaching and Umpires. Go to our website [www.bwnc.net](http://www.bwnc.net) and have a look.

Let us know what you think and if there is anything more you would like to see during the year, let us know? We're open for ideas....

## BWNC GRADING DAY

After much discussion we have decided to not go ahead with grading this year. Therefore there is **no need to attend next Tuesday 16th Feb.**

Last year we paper-graded a lot of our players, and this year we have also lost a few players which means our Club has decreased a little.

Hope you understand, if you have any questions, please let us know.

## UNIFORMS

This Saturday at We're Sportswear will be your last chance to try on a BWNC uniform and order, before our order is placed.

Details are as follows:

**Time: 10.30am - 11.30am**

**Where: We're Sportswear**

**Address: Mutu Street Woy Woy**

**Cash or direct transfer only**

# SEASON OPENING

Saturday 20th March

## SEASON OPENING

Our season will still be going ahead on Saturday 20th March 2021.

Restrictions are changing every day, so it looks like we may have a normal season this year, however we will still be required to check-in with a QR Code and sanitise.

Great news is that we can now watch our kids play and support them, bring the family or grandparents.

Just remember that this changes regularly, check our Facebook page and we will keep you informed.

## WE ARE RUNNING THE BBQ

On opening game day, we will be running the BBQ under the covered area, so if you would like to help us out or donate some delicious cupcakes or slices to sell, please send the Committee an email so we can lock you in.

## CANTEEN

As restrictions have eased, WWPNA will be back to running the canteen like we have in the past. Generally we will require volunteers over the age of 14 years to help us - they can be players, parents, friends or family.

Once WWPNA have provided us with dates for our Club, we will put together a roster for each team. We will try our best to ensure its not during your child's game. Please try and help as more hand make light work, and we know that you're all busy!

## ARE YOU OUR NEXT BBQ KING OR QUEEN?

# BWNC SPONSORS 2021

We have some fantastic news for 2021. We have gained a few new sponsors and Ettalong Diggers have again been generous to our Club, which helps us provide new equipment for our players this year.

Ettalong Diggers are our major sponsor and have been for many years.

Due to their generous sponsorship we have placed an order for new training shirts in yellow and black, and we have also bought new first aid kits for all coaches bags.

## BWNC SPONSORS 2021

Case Fabrication & Engineering have also provided us with new training balls this year. Unfortunately, due to COVID and shipping issues, we may not have them at the start of the season. But they look great and we are all a little excited to throw them around on court.

## Zuzana Giles, PERSONAL TRAINER

TRAINING OUT OF HOME STUDIO ON NEW SOUTH WALES CENTRAL COAST

Do you have a **PERSONAL FITNESS GOAL** you would like to achieve? Would you like help getting started? I can assist you to get motivated or provide instruction on how to best reach your goals. I will make you feel comfortable, secure and inspired whilst supporting you through your fitness journey.

Zuzana from Myway Fitness has been working with us over the last 6 months, and helped with fitness and strength.

Zuzana will be supporting our Club this year and providing us with personal training sessions for as little as \$10.00 a session.

This isn't just for players, but parents, coaches managers can also join it.  
But each session will be limited.

We will be sending you through more details soon once everything is finalised

Ettalong Beach  
**Community Bank®** Branch

Bendigo Bank at Ettalong has been a long time sponsor each year. We do all our banking with Ettalong, they always go above and beyond for our Club and have a great range of banking products and services available to suit all needs.

Reef and Rural Plumbing is a family business servicing the Central Coast and Hunter Region. They are a local plumber which you can trust and depend on. So if you're in need of a plumber for a renovation or new home, give them a call, no job is too big or too small!

Point Clare Chiropractic is run by Dr Kieron Holland and his clinic is at Point Clare near the vets. Kieron can help with back problems, pain from headaches or injury. Give him a call and make an appointment.

Peta at Boost Juice has been amazing, not only did she give our Club vouchers last year, she will be providing us with vouchers for all the Clubs in our Association. So if you go to Boost in Woy Woy or Lake Haven make sure you show our support and say thank you'.

Blake is a new sponsor for our Club and this year they have provided us with 100 vouchers for our players. They are giving us 2 for one vouchers, and we will also be holding a fundraiser there throughout the year.

McDonalds have again provided us with 'player of the match' vouchers for 2021. They have been a great hit over the last few years and will be great to see them again this year.

We have been using Eagles Self Storage at Wyoming for a little over 18 months to store all our equipment, uniforms and coach bags. So if your in need to de-clutter or store important documents or valuables, please see the team (Tony) at Eages Self Storage

Carmel from Meany & Associates has been helping us for many years put together our financials. Carmel can help you with your end-of-year tax, personal and business financials.

Danielle is a good friend of mine and was kind enough to help us out with our Club photos last year.

# SECOND-HAND UNIFORMS

BWNC has a second hand uniform page on Facebook, where members are able to buy and sell BWNC uniforms.

This is a perfect time to let our members know what uniforms are available to buy.

# Thank You

Last of all, I wanted to say Thank You to everyone who has registered again for 2021, who has supported us over the years and continues to be part of our Brisbane Water Netball Club community.

As you all know we are a small Club made up of parents who volunteer their time to ensure our kids get to play netball each year and do what they love.

Our Community keeps our Club alive. In 2024 our club will be 50 years old! Wow! Do you know if your family played for Brisbane Water or St John's in the past? We would love to see pictures or hear some stories.

Thanks again

## ABOUT ME

I'm pretty much a born and bred Coastie and love the area and lifestyle it affords. As a commuter to the city most days, it's a great feeling returning to the Coast. My professional background as a financial systems project manager lends itself to supporting the BWNC Committee and helping run its day-to-day operations – it's not til you join a Club Committee that you learn all the hard work that goes on behind the scenes. I have been loosely involved in netball through my daughters, mainly as a spectator for many years, until 4 years ago when I really got on board and became the Treasurer for BWNC.

Since then, I have helped co-ordinate the Club's events and have also joined WWPNA as their Assistant Treasurer. It seems that when you mention you work in a bank, people immediately assume you're good with money!!

Admittedly, I did get an appreciation for \$ when, during my induction as a wide-eyed newbie, I was handed a million dollars to admire, momentarily alas. That's something you never forget!! I love being a part of BWNC and am usually on the sidelines, coaching and cheering for our teams.
